**Subject:** COMMENT: NO Uranium Mining in the Black Hills

Good afternoon,

I am writing this email as a US citizen and tax payer who is against the Dewey Burdock mining project in The Black Hills.

I continue to be disgusted by the EPA's leadership and decision making concerning the environment. The Black Hills are scared to the Lakota people and they should not be subjected to the sickening greed that has harmed these First Americans in unimaginable ways.

Please respond to this email confirming that no mining will take place.

I thank you for your time.
